PROGRAM DESCRIPTIONS

ADVANCED DEFENCEMEN'S HIGH SPEED PIVOTS, SWINGS, CUTBACKS, DEKES & SHOTS CAMP™

Doing these fundamentals is the easy part, add a puck and they become harder, keeping your head up at the same time becomes even more difficult but will turn you into a great defenceman.

(This is not a learn-to-skate program.)

DEFENCEMEN'S POWERSKATE STICKHANDLE & SHOOT CAMP™

Defencemen must be able to start and skate backward as fast as the forwards breaking down the ice to your net. When you can skate backward and stickhandle without looking at the puck a whole new game will open up for you.

HIGH SPEED BREAKOUT & ATTACK CAMP™ (Forwards and Defence)

Players will practise numerous breakouts with an emphasis on speed and crisp accurate passes while under pressure. Attacks will run in progressive and changing patterns to make the players aware of their options, while forcing them to think ahead in the 3 on 0, 3 on 1 and 3 on 2 situations.

GOALSCORING, SLIDE & CUTBACK CAMP™ (Forwards and Defence)

Learn how to beat their defence or forechecker in order to open up the ice to create a lane to the net and maintain possession of the puck.

DEFENCEMEN'S 1ST PASS CAMP™

Once you gain possession of the puck in your end zone you must be able to pass the puck tape to tape or move with the puck on your first attempt without turning the puck over.

DEFENCEMEN'S SUPER QUICK FEET II CAMP™

Increase your foot speed and change of direction with/without the puck to gain more confidence so you can take your game to the next level.

(This is not a learn-to-skate program.)

PRE-TRY OUT CONDITIONING & SHOOT CAMP™ (Forwards and Defence)

The purpose is to get you into game condition so you will have power, speed, quickness, stamina and mobility to enable you to stand out over the competition.
